WE ARE BERGMANN.

› TECHNOLOGY LEADER

As a pioneer in waste management, we develop highly efficient machines for waste compaction. Always in focus: functionality, quality and safety.

› COST REDUCERS

When rubbish and waste become not only a problem, but also a cost factor, our machines are the first choice.

› PROBLEM SOLVER

We are in intensive dialogue with our customers and find practical solutions for their current requirements.

› SERVICE PARTNER

We guarantee spare parts availability for 15 years and have an extensive service network of experienced technicians.
